Henderson, Air Power Lead Lancers Win Over Raiders

Russell Henderson unleashed an air attack against the Appomattox Raiders which carried the Amherst Lancers to a 26-6 Seminole District football win Friday night.

The 6-3, 195 pound senior completed 15 of 26 passes for 129 yards and two touchdowns as the Raider's defensive unit refused to yield to the usually potent ground game of the Lancers.

The Raiders only score came on a 12 yard pass from Mac Weaver to Ricky Wingfield with just six seconds left to play in the game. Prior to the touchdown drive, Appomattox crossed midfield only once when they passed 15 yards to Wingfield for a first down on the Amherst 48. The drive stalled there as three passes fell incomplete and Mitch Eggleston was forced to punt on the fourth down.

Amherst scored with 3:28 left in the first period when Ricky Simmons was caught in his own end zone by Donnie Sandidge. The Raiders had just made a goal line stand to deny Amherst a touchdown as Flip Jamerson and Warren Coleman stopped Russell Agnew for a two yard losses on a fourth down and goal to go situation from the one yard line.

With 7:34 left in the half, Amherst finally got its first touchdown when Larry Hughes seampered 20 yards on a double reverse that caught the Appomattox defenders moving away from the football.

The Raiders defense stiffened after the touchdown, but Appomattox could not get an offensive underway. With 1:09 left in the half, Mike Powell booted a 26 yard field goal and Amherst took a 13-0 lead to the dressing room.

Amherst marched 66 yards for its second touchdown following the second half kickoff. Most of the yardage came on passes from Henderson to Ed Stuart as the duo combined for 18 and 23 yards and the final two yards for the score.

Early in the fourth period, it looked as though the Raiders were coming to life, but a pair of fumbles and some costly penalties set them back and they never really recovered any offensive poise.

The defense was doing an excellent job of containing the bruising runners which Amherst kept sending into the game, but finally the lack of depth took its toll and Appomattox gave up the final Lancer score on a razzle dazzle play that saw four different players handle the ball.

Henderson took the snap and handed off to Stuart Tanner who in turn handed off to Vernon Massie on an end around. Massie took only three or four steps, stopped and flipped the ball to Henderson who was seemingly out of the play. Henderson then passed 11 yards to Kent Mays who was unguarded in the end zone.

After the kickoff, Amherst put the ball in play at their own 40 yard line. Aided by a pass interference penalty and an unsportsmanlike conduct call against Amherst, Appomattox moved the 12 yard line where Weaver hit Wingfield for the touchdown.

But even that took doing twice as the first completion found Wingfield beyond the end zone markers.

Coleman, Flip Jamerson, Tommy Wingfield, Ricky Wingfield and Dicky Kelso were defensive standouts for the Raiders as their defense played very well, particularly in the second half.

This week Appomattox will play Altavista in the Homecoming game. Game time is 8: p.m.

Squad Gets Game Ball

Cont'd from Page 1

By 6:45 p.m. members of the Appomattox County Rescue Squad will be stationed at the gate and throughout the stadium offering chances on the "game ball" for a donation of 25c each of five chances for $1.00. Drawing for the game ball will take place during the half-time activities and YOU DO HAVE TO PRESENT TO WIN. ACHS ambulances will be on stand-by throughout the game and tickets can be obtained at any of the vehicles as well as at the gate.

Friday, October 18th, is Homecoming at Appomattox County High School, with the kick-off at 8 p.m. when the Raiders take on Altavista High School.

Money for the ACRS Canteen Fund is earned by members of the squad and is used for the annual dinner, for kitchen supplies, for flowers sent to hospitalized members and for several other needs not financed through your contributions to the annual Fund Drive.

Your support in this project will be greatly appreciated, so, bring an extra quarter or two, or an extra dollar or two, with you to the game Friday night and take a chance on the "game ball". Even if you don't win the ball you will be helping this volunteer organization with their plans for their installation of officers dinner and a few other things needed that should not have to be paid for by the actual members . . . they give of their time and energies all year so you can give a little at this time to help them out and may be a winner in more ways than one.

Thanks to Coach Robinson and his staff and all personnel at ACHS who have made this project possible.

Remember - drawing will take place at half-time and the name of the winner will be announced. The winner, will "claim" the game ball at the end of the Homecoming game.

Plaque Unveiled

Cont'd from Page 1

Speaking of the war, Godwin said, "The battle here was significant. The trains sent here the Confederacy were captured by Union forces, eventually causing the surrender of General Robert E. Lee."

"Out of the struggle," Godwin continued, "We were made whole as a nation. We come here as one people united again to pay homage to a priceless heritage."

Mrs. Moses said the unveiling of the plaque was particulary significant since it coincided with the anniversary of General Lee's death, October 12, 1870. Attending the unveiling were Mrs. Frank Brown, President of South Central District, VFGC, Mrs. J. D. Allen, Jr. President of VFGC, and Mrs. K. B. Stoner, State Historical President of VFGC.

The acquisition of the plaque was a joint effort of the South Central District, VFGC and the Appomattox Civil War Centennial Committee.

and Campbell with the worst areas being in Lunenburg and Charlotte Counties. In a recent survey in September, of Lunenburg County, an additional 599 new pine beetle spots were picked up. Other counties that were aerial surveyed also show an increase in the number of bark beetle spots but not at the alarming rate as Lunenburg County.

Much of this value can be salvaged if immediate action is taken to remove the dying trees which include a band of live trees 50 foot wide around the infested area. A safety strip will remove trees that harbor the beetles but have not as yet started to die. For additional information contact the Chief Forest Warden or the County Forester in your county or write to the District Forester, Box 386, Farmville, Virginia 23901.

Celebration Seminar

Cont'd from Page 1

The meeting is scheduled for Tuesday, October 22, at 7:30 p.m. in the community meeting room of the Farmers National Bank, Route 460. Mr. Franklin Vaughan, President of the Chamber of Commerce, will chair the meeting. Chairpersons of the two Railroad Festivals and the Bicentennial Commission will be on hand, plus a special guest speaker from a national "Civic Celebration Management" firm which has assisted over 5,100 American communities in the past seventy years.

Mr. Michael Whaley of the Rogers Company, Fostoria, Ohio, will discuss how a properly planned community celebration will produce such benefits as: create new civic awareness among all citizens; uncover new civic leaders; stimulate local economy; honor our heritage; and focus attention on tomorrow. The Rogers Company is currently assisting many Virginia Bicentennial Commissions with production of Historic Spectacles.

The Chamber would like to see at least one member from every civic organization in the county present for the meeting, but more members are desirable. If possible, have your Board of Directors attend. The meeting is open to the public and any interested individual may attend.

Winter in the Heart

The warm breezes of summer, as you have noticed, have turned to the cool and nippy breezes of fall. These early morning and evening breezes put a spring in the step and that nostalgic feeling in the heart. We are on the eve of God putting His creation into its winter sleep; but, on the spiritual scene we are exhorted to "awake" to righteousness and sin not, because some have not the knowledge of God: I speak this to your shame (I Cor. 15:34). We are exhorted to "walk circumspectly, not as fools, but as wise, REDEEMING the time because the days are evil" Eph. 5:15-16. Time is running out for us and the days are full of evil so what must be done cannot wait. "And because iniquity shall abound, the love of many shall wax cold." Matt. 24:12. It is for sure that sin is abounding and it is doing so faster than liberals can do away with the laws which eliminate sin from criminal statutes. Crime is mushrooming. Sin is abounding even among so-called Christians. The prophecy is that along with this "the love of many shall wax cold. Spiritual winter is not a beautiful mantle of white but a blighted mess of darkness. The world in Noah's day was destroyed because of the passion of lust and it shall be destroyed with fire the next time because of the coldness of love toward God. Is it winter in your heart Christian? Could it be that we are in the time described by Paul in II Tim. 3:1-5 where he says, "This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves . . . lovers of pleasure more than lovers of God; Having a form (outward show) of godliness but denying the power thereof: FROM SUCH TURN AWAY." Have you "left your first love?" Are you in the sinful state of a spiritual winter? "Let everyone that nameth the name of Christ depart from iniquity." II Tim. 2:19. Go to the Lord Jesus Christ and plead for mercy and grace.
